Reason: The Debtors have conducted a review of the filed proof of claim and any related accompanying materials and their books and records. Based on this review, the Debtor submits that the customer asserted cryptocurrency quantities and fiat which does not match the quantities and holdings in such customer's accounts. The transaction activity referenced in the claimant's other activity relates to an account with an active scheduled claim. Accordingly, the Debtors seek to modify the asserted claim to match their books and records.
